Learning an instrument is fun and is a great way for pupils to acquire life skills such as self-discipline and commitment. It can also help to improve self-esteem and self-confidence.

Most instruments are taught in small groups and once they progress, pupils can join one of many area and county ensembles and orchestras.

Our teachers are supplied by Shropshire Music Service and are highly trained and experienced musicians and educators.

Lessons cost from £4-£7.50 each with 32 lessons offered over the academic year.
