

Name: _____ Date: _____

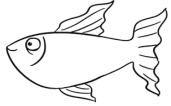

Yellow submarines

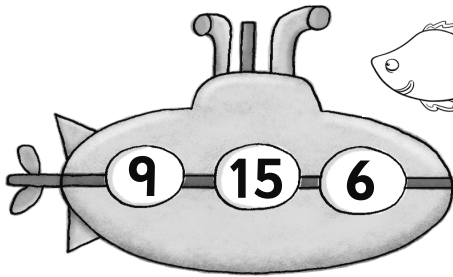

Recall addition and subtraction facts to 20, and use them to work out other facts

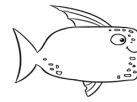

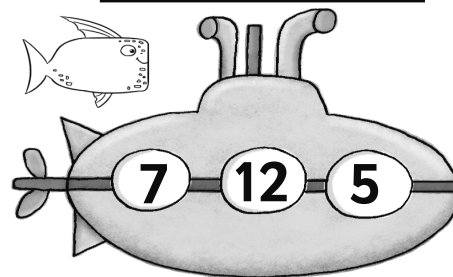

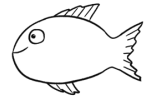

You will need:

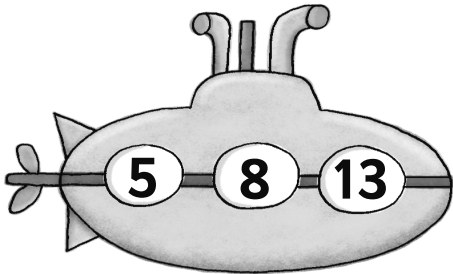

- scissors
- glue

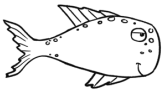

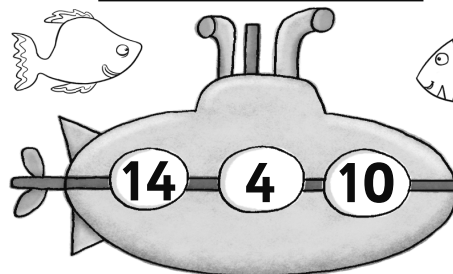

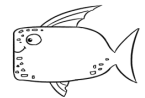

Teacher's notes

Children complete each addition and subtraction calculation at the bottom of the sheet. They then cut out each calculation, and glue one addition and one related subtraction fact to the submarine showing the same three numbers.

$15 - 6 =$

$10 + 4 =$

$9 + 6 =$

$14 - 4 =$

$7 + 5 =$

$12 - 7 =$

$13 - 8 =$

$8 + 5 =$
