

Name: _____ Date: _____

My day

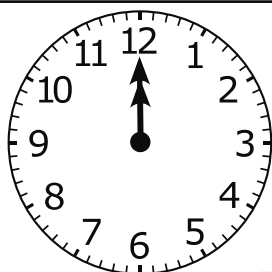

Read times on clocks and understand time intervals

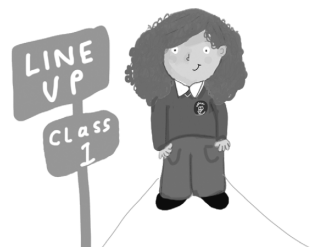

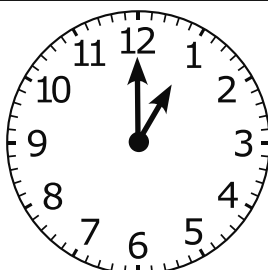

The time is

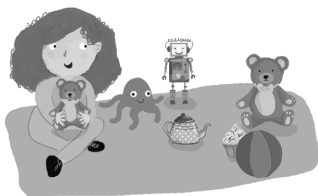

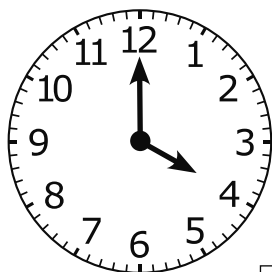

Half an hour later the time is:

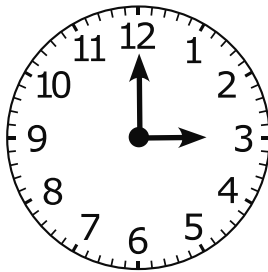

The time is

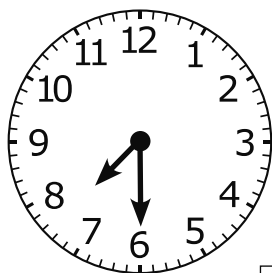

One hour later the time is:

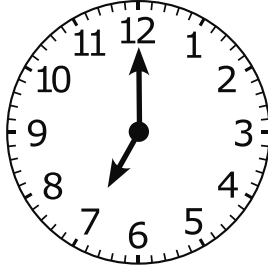

The time is

One hour earlier the time is:

The time is

Half an hour earlier the time is:

Teacher's notes

Children look at the first clock in each row and write the time in the box underneath. They then read the second clock and sentence, and complete the sentence by writing the correct time in the box.
