

My Favourite Maths!

Highlight or tick the maths you have really enjoyed this year:

- Learning times tables
- Addition and subtraction
- Multiplication and division
- Work on place value (e.g. understanding the value of digits in large numbers, \times or \div by 10 and 100)
- Fractions
- Shape and space work
- Handling data (reading charts etc)
- Time
- Measuring (length, mass, capacity etc)
- Position and direction work

The maths I remember most clearly is:

Can you draw a picture or write an example of the maths that you remember most clearly?
