# Tomato ketchup 10s

Count in 10s

You will need:

- scissors
- glue

--	--	--	--	--	--	--	--	--	--	--	--

## Teacher's notes

Children cut out the multiples of ten at the bottom of the sheet and glue them onto the shelf in order, 0–100. They then complete each row of tomatoes by writing the missing multiples of ten in the spaces.
