

Name: _____ Date: _____

Newspaper pie charts

Interpret and draw pie charts and use them to solve problems

You will need:

- ruler
- coloured pencils

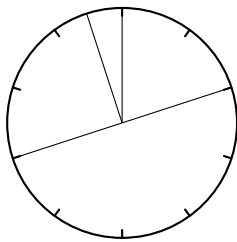

Challenges
1,2,3

The table shows how three newspapers allocate space in their paper.

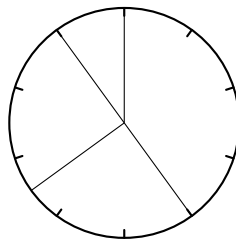

Title	Features	News	Sport	Other
Post	30%	30%	25%	15%
Echo	20%	50%	25%	5%
Metro	40%	25%	25%	10%

Work out which pie chart is for each newspaper. Colour the charts and then the key.

Features	
News	
Sport	
Other	

Title _____ Title _____ Title _____

Challenges
2,3

Use these percentages to complete the pie chart for the Herald.

Features 25% News 40% Sport 20% Other 15%

Challenge
3

Mr Grant likes the Sport section. His partner prefers Features.

Which paper should they buy? Why? _____

Take turn with someone at home to pose and answer questions about the pie charts in Challenges 1, 2, 3. Record some of these on the back of this sheet.
