Instructions: Cut out the cards and place them in the middle of the board. On your go, roll a dice and move forward that number of spaces. Pick up a card and answer the question on the space you landed on.

Start

What is one less than your number?	How many tens are in your number?	How many hundreds are in your number?	Go ahead 3 spaces!	What is one hundred more than your number?
				Is your number odd?
What is ten less than your number?	Move to this space!	How many ones are in your number?	Take another turn!	Move to this space!
What is one less than your number?				
Miss one turn!	Is your number odd or even?	What is ten more than your number?	Go back two spaces!	What is one hundred less than your number?
				Write your number in expanded form
				How many ones are in your number?
Is your number even?	What is one hundred less than your number?	Write your number in expanded form	Miss one turn!	What is one less than your number?
What is ten less than your number?				
				Finish!
How many hundreds are in your number?	Move to this space!	What is one hundred more than your number?	Write your number in expanded form	How many tens are in your number?
