## L.O. To draw myself, something that is taller than me and something that is shorter than me

| Things that are taller than me | A picture of me and things the same height | Things that are shorter than me |
|--------------------------------|--|---------------------------------|
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
|                                |  |                                 |
