

Things to ask me

Week beginning 21.6.21

- This week we have been writing poems all about minibeasts! What minibeast did I choose to write about?
- We had to think of different clues to describe our minibeast in the poem, can I remember any of the clues that I gave?
- The title of our poem was 'What am I?', can I remember what you need to put at the end of a question? (a question mark)
- At the end we used an exclamation mark, can I remember how we have to read something when there's an exclamation mark? (we say it louder and like we're excited!)
- What did we make in Forest School this week? (fairy houses)
- What did I use for the door? (bark)
- What other parts did I include in my fairy house? (e.g. moss for the grass, acorn shells for a path, sticks for the garden, leaves for the curtains, some people even added a trampoline!)
- This week we starting learning about a different religion. Can I remember the name of it? (Hinduism)
- Hindus don't go to church like Christians, can I remember where they go to worship? (a temple)
- Can I remember anything that's special about a Hindu temple? (you take your shoes off, there are no seats, there are lots of statues of different Gods and Goddesses, some of the temples have 7 towers and look like mountains)

Sounds learnt this week	Tricky words
We are learning to blend cvcc words. E.g. milk, jump, tent, bend.	SO
