# Bees and flowers

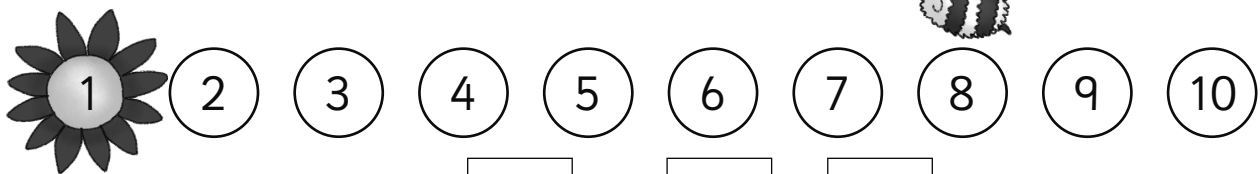

Find the difference between two numbers

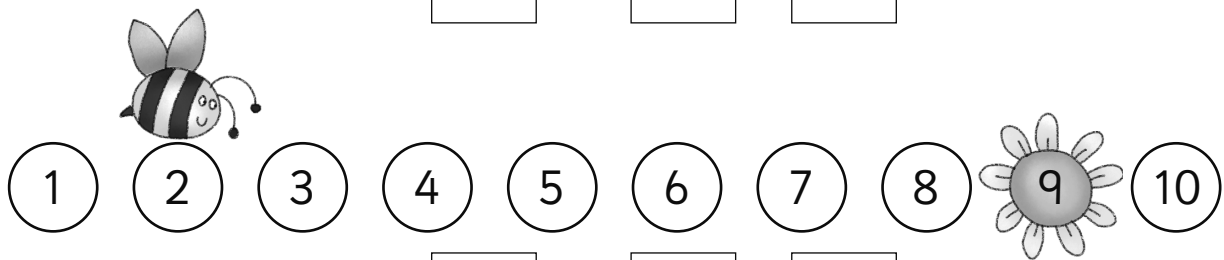

The difference between 6 and 2 is .

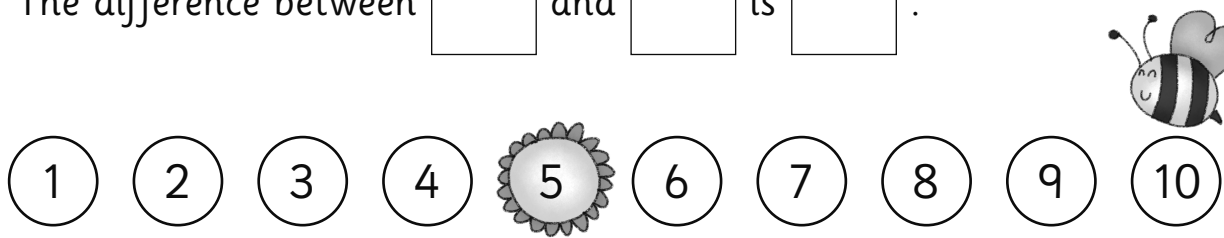

The difference between 8 and 3 is .

The difference between  and  is .

The difference between  and  is .

The difference between  and  is .

## Teacher's notes

On each number track, children draw the jumps the bee must make to reach the flower. They count the number of jumps and complete the sentence to show the difference between the two numbers.
