# Negative counting

Count forwards and backwards through zero with negative numbers

Challenge

1

Count on and back in steps of 1 from these numbers.

a				-15	-14	-13				
b			-21	-20						
c		-43					-38			
d						-2				

Challenge

2

Count on and back in steps of 5 from these numbers.

a			-35		-25					
b				-38				-18		
c		-21				-1				
d				-17					8	

Challenge

3

Count on and back in steps of 3 from these numbers.

a			-24	-21	-18					
b				-7	-4					
c		-23						-5		
d					-10					

Say a negative number to someone at home and ask them to count back from that number. Tell them if they counted correctly.
