

Name: _____ Date: _____

Time machine

Solve problems involving time

This time machine tests for leap years.

- 1 For each year in the table:
 - test it with the two questions in the machine
 - write ✓ for yes and ✗ for no in the right-hand column of the table.

- 2 Write the year you were born in the last box.
Was it a leap year?

Year	Is it a leap year?
2012	
1997	
2020	
1984	
2015	
1966	
2034	
1976
