

Name: _____ Date: _____

Multiplying by 9, 99 using 10, 100 and adjusting

Multiply numbers mentally drawing upon known facts

Play this game with a partner.

- Cover each multiplication below with a counter.
- Take turns to:
 - remove a counter
 - say the answer to the multiplication.
- If you are correct, keep the counter. If you are incorrect, place the counter back on the board.
- Continue until all the counters have been removed.
- The player with the most counters at the end is the winner.

You will need:

- 30 counters

Variation:

- Take turns to remove a counter.
- The first player to say the correct answer keeps the counter.

99×6	76×9	99×83	18×9	91×9
55×9	81×9	46×99	99×52	63×9
83×9	71×9	27×9	54×9	12×9
99×12	45×9	86×9	108×9	9×47
99×9	64×9	99×25	37×99	72×9
78×9	99×7	36×9	9×99	9×38
