Visualise and draw 3-D shapes from the top, from the front and from the side

You will need:

- coloured pencils
- ruler

side view

• 1 cm square dot paper

The shapes below are made of cubes. Follow these instructions for each shape.

ton view

- Use the code R (red), B (blue), G (green) and Y (yellow) to colour the 3-D shape.
- Draw the shape on the square dot paper as you would see it from the top, the front and the side. You might need to use the sheet of 1 cm square dot paper to draw all the shapes.

front view

• Colour the three views.
