

My New School

Written by Miss Roberts and Mrs Davies

Welcome to Antarctica!

This is your new cloak room.

This is where you will hang your coat in your new school. You will have a peg with your name on.

You will put your PE bag on the shelf at the top and your book bag at the bottom.

This is your outdoor area. You can ride a bike around the track, make an obstacle course, read a book under the tree, build a boat, play with the water wall and so much more!

You can choose things from the shed to play with.

This is your new classroom. We do lots of things in our

classroom like making things in the art area, doing puzzles, building with the Lego, making small worlds for dinosaurs or farm animals, making

delicious food with the playdough and playing in the home corner.

Here is where we are going to do Forest School. It is called the

Gruffalo Wood. We do lots of exploring in here and make lots of nice things.

You will need to bring your own wellies – you have your very own welly spot!

Here is where you go for lunch. You order your dinner in the morning at the computer. We have lots of nice things for dinner and Mrs Thomas the Cook is very kind. You can always bring your own packed lunch if you want to.

Mrs Butler will be in Class Antarctica. She will be around to help you in your new classroom. She is very kind and smiles a lot.

Mrs Keyland will also be in Class Antarctica. She's lovely too and will always help you when you need it.

“I am Miss Roberts, I am one of your new teachers. I will teach you on a Monday, Tuesday and Wednesday.

I enjoy reading funny stories and building. I can't wait to meet you so that we can play in the classroom and the outdoor area together.”

“I am Mrs
Davies your
other new
teacher. I will
teach you on
a Wednesday,
Thursday and
Friday.

I like playing lots of games and
being cooked for in the home
corner. I'm really looking
forward to meeting everyone
and sharing lots of fun
together.”

We hope you enjoy your book all about your new school. We are very happy that you are going to be coming to school and you are going to be in our class. We wonder what kind of things we will learn together and what kind of adventures we will have.

Love from
Miss Roberts and Mrs Davies
